## AUGUST NEWSLETTER

### JULY RECAP

The big event for the month was our luau. With the help of our residents Stephanie decorated the living room with lighted palm trees, tiki's and mylar fish. Entertainment was provided with an Hawaiian twist. Fun was had by all.

The residents also took 2 trips to ice cream shops in the area. The "Chill and Grill" in Palmyra and Spanky Oliver's in Lyons. With all of the hot weather we have been having the residents really enjoyed this cool treat. The Terrace also provided popsicles during the hot weather to help keep our residents cool and comfortable.

The garden continues to do well. We have already provided the kitchen with radishes. We do have a few small peppers, tomatoes, and peas. Hopefully soon the kitchen will be provided with an abundance of fresh vegetables.

The Terrace and residents had to say goodbye to our Activities Director

"Stephanie". A small party with cake and a gift was presented to her on Monday, July 25, 2011.

## MEMORY CARE JULY HAPPENINGS

It certainly has been a hot July! We have been busy keeping the garden watered and actually got our first butterfly visitor yesterday!

We created a colorful July bulletin board, a beehive with bees buzzing all around. Summer does seem to be slipping by fast!

The Residents have also been enjoying the fruits of the season. We made raspberry smoothies and melon kabobs.

Watermelons were painted to decorate the doors in the livingroom and we are busy painting sunflowers for our August decorations.

The luau was a success. We had a great time and really looked the part in our flowered leis.

A special welcome to Bob D. and Doris W. It looks like we will have more competition for our Bingo matches.

Hope we will have a Great August!
