## **NOVEMBER NEWSLETTER**

### **OCTOBER RECAP**

October has been a busy month here at the Terrace. Fall has arrived and we have taken the opportunity to welcome all fall has to offer.

We were entertained this month by Howie Bartolo, Touch of Joy, as well as a concert by our own "Monica B." Music is always a big hit here. On October 25<sup>th</sup> we were entertained by magician Steve Ingraham. It was a perfect show for Halloween.

On October 19<sup>th</sup>, we took a scenic drive to Naples. Even though rain was predicted, the sun broke out, and we were treated to all of the colors of fall, and the beauty of our Fingerlakes. We all enjoyed a great lunch at Peppers in Canandaigua. October 21 found us at the Apple shed here in Newark touring the "new" store, and wandering around the grounds.

On October 13, we enjoyed the tastes of the season and participated in an Apple Tasting in the café. We sampled 8 different varieties of apples and found a new variety "Honey Crisp" which the residents voted the hands down favorite. The residents visited Lyons October 22 had a great time. We saw so many pumpkins, kids in costume, and many small activities. We will definitely be returning next year.

Lots of fall fun continues as we get ready for our Family Halloween party on

October 30<sup>th</sup>. We have been busy decorating and cutting out bats and spiders and giving the Terrace a good fall look.

### **NOVEMBER NEWS**

We look forward to November, and the upcoming holiday season. We are planning a lot of baking, arts and crafts and scrapbooking.

A trip to the "Woman's Hall of Fame" in Seneca Falls and a girls and boys night out at a local restaurant and possibly a movie or shopping after is planned.

Thanksgiving is just around the corner. I hope you all enjoy the remainder of our fall season. We live in a beautiful part of our country. If you have any concerns or ideas about activities, please feel free to stop in and see me.

## JOKE OF THE MONTH

A Florida senior citizen drove his brand new Corvette convertible out of the dealership. Taking off down the road, he pushed it to 80 mph. enjoying the wind blowing through what little hair he had left. "Amazing, he thought as he flew down I-95, pushing the pedal even more.

Looking in his rearview mirror, he saw a State Trooper, blue lights flashing and siren blaring. He floored it to 100 mph. then 110, then 120, suddenly he thought, "What am I doing? I'm too old for this"! and pulled over to await the trooper's arrival.

Pulling in behind him, the trooper got out of his vehicle and walked up to the Corvette. He looked at his watch, and then said, "Sir, my shift ends in 30 minutes. Today is Friday. If you can give me a new reason for speeding, a reason I've never before heard -I will let you go.

The old gentleman paused then said; "Three years ago, my wife ran off to Florida with a Florida State Trooper. I thought you were bringing her back."

"Have a good day, sir," replied the trooper.
