NOVEMBER RECAP

The Terrace has had a great November! The weather has been wonderful! We have been able to put our garden to bed for the winter, and not have to do that job in the snow and cold.

On Veteran's Day, our veterans went to the American legion, and were treated to lunch as honored guests. The residents appreciated the kindness that was extended to them by the members of the Newark American Legion.

When we arrived back at The Terrace we had a ceremony in the Living Room, and honored our veterans, wives and relatives. We were surprised to find out that Stanley "Red" D. is the oldest WWII veteran in Wayne County.

Congratulations to Stanley D. and his family.

We were entertained by Monica B, "Touch of Joy", "Carol Gent, and "The Country Gentlemen". Music is always a big hit here. During November we traveled to Walmart, and the new "Dollar Store" for a morning of shopping. We also enjoyed men's Night Out. Dinner at Parkers was delicious and we also enjoyed a good game of pool.

Our Thanksgiving dinner was a feast to remember. The tastes of the fall season have been enjoyed in many ways. We have been baking all kinds of fall treats.

pumpkin cake, pumpkin roll, cranberry bread, and much more.

Our scrapbook is getting more interesting with the addition of our Halloween party pictures.

Crafting is always a good time. We are already working on Christmas projects.

DECEMBER NEWS

December looks to be very busy. We will be visiting the Granger Homestead in Canandaigua for The Festival of Trees. We will also be going on shopping trips and some evening scenic rides to see the Christmas light displays. The Girl scouts will be coming to carol, and we have ballet dancers visiting to demonstrate their art.

The oven will get its workout with all the baking that will be going on.

Crafting and decorating will be a high priority this month with Christmas right at our doorstep.

I hope you all have a wonderful holiday! It really is a special time of year!

MEMORY CARE NEWS

November was a busy month for us in our neighborhood..... as we all started to get into the Holiday Spirit. We took a beautiful scenic ride around Canandaigua Lake where we sat by the lake and enjoyed the beautiful foliage with bright colors of Fall.....we also reminisced about family traditions while preparing for our big Thanksgiving celebration dinner. We are looking forward to our big Christmas party this month and can't wait to start decorating. Hope you can join us!!!!

RESIDENT OF THE MONTH

Evelyn D.....Evelyn has been living with us for a long while now and is consistently kind to all other residents and staff. Evelyn always wants to help others. Evelyn was born in the Bronx and raised in Long Island; she was a stenographer for many years and eventually retired from that job. Evelyn has been honored for being in WWII. With her husband, Ted, Evelyn raised their children in Long Island, and then later moved to Upstate NY. Now, Evelyn enjoys reading, doing puzzles, painting and spending time with her family.

JOKE OF THE MONTH

"An old man and woman were married for years and years even though they hated each other. When they had an argument, screams and yelling could be heard deep into the night. Repeatedly a threat was heard from the old man against his wife. "When I die I will dig my way up and out of the grave to come back and haunt you for the rest of your life!"

It was believed that the old man practiced black magic and was responsible for missing cats and dogs and strange sounds at all hours. He was feared and he enjoyed the respect it garnished.

The old man died abruptly under strange circumstances and the funeral had a closed casket. After the burial, the wife went straight to the local bar and began to party as if there was no tomorrow.

The gaiety of her actions was becoming extreme when her neighbors approached in a group to ask these questions: "Are you not afraid? Concerned? Worried? That this man who practiced black magic and stated when he died he would dig his way up and out of the grave to come back and haunt you for the rest of your life?"

The wife put down her drink and said, "Let the old guy dig. I had him buried upside down."
