

HAPPY NEW YEAR! 2012 January newsletter

December Recap

It certainly is festive here at the Newark Terrace. We have been enjoying the holiday season even though the weather sometimes reminds us of spring.

We started December by being entertained by "Touch of Joy". As the month progressed, we kept the holiday spirit going by listening to "John Dapeno", Ray Braselton and Carol Grant and Monica.

We visited the Granger Homestead in Canandaigua (several times!), to view "The Festival of Trees". Over 100 decorated trees and wreaths were on display. We plan on visiting again next year and maybe even displaying a tree from "The Newark Terrace."

The studio for the Performing Arts danced for us on Sunday Dec. 18th. The Boy Scouts and Girl Scouts dropped by with carols, cards, and ornaments. We have a lot of talented young people here in Newark. Many homes in the area are beautifully lit & decorated up this

time of the year, and we really enjoyed ourselves on our trips to see "Local Lights". We even shared some good laughs at some over the top light displays.

Christmas would not be the same without Christmas cookies. On December 21st we were proud to deliver a plate of "homemade" Christmas cookies and fudge to every resident here at the Terrace. Our oven has been very busy over the past 2 weeks! There were lots of smiles, and happy faces when our own Santa, Dick S. appeared at each door with a plate of goodies.

Speaking of Santa, on Sunday Dec. 11th, our 65 family members and guests came for our Holiday Party. Santa was on hand to hear wishes, and spread holiday cheer to all of our residents. Thank you all for coming and bringing your beautiful children & grandchildren. It was a treat for everyone.

I wish the best for everyone in the New Year. Thank you for your kindness and support~~~~~Gigi Parcero

JOKE OF THE MONTH

There was once a duck that had chapped lips. He went to the drug store and asked the pharmacist for some chap stick. The pharmacist got the chap stick for him and as he was ringing the duck out he asked the duck "will this be cash or charge?" The duck replied "just put it on my bill."

RESIDENTS OF THE MONTH

ED & DORIS KROCKE

Ed & Doris Krocke are out residents of the month. These sweethearts have been married for 70 years! (71 in January) They're rarely out of each other's sight.

Ed & Doris are the parents of 2 children and have 4 grandchildren and 2 great grandchildren.

Doris is a former employee of Newark Manor, and worked in the kitchen. One of her favorite jobs was making pies. She would make 12 to 15 pies – each time by scratch. Doris enjoys baking here at the Terrace as well as Bingo and musical entertainment.

Ed keeps busy by going on his daily walks and looking after Doris. He enjoys finding a common bond with everyone he meets. Ed enjoys our outings and is always a wealth of information. He retired from N.D.C. after 26 years of service as an electrician.

Ed & Doris are proud to call Newark their home.

Congratulations Ed & Doris. It is a pleasure to see your smiling faces each day. They take good care of us.

FROM THE ADMISTRATOR

I would like to take this opportunity to re-introduce myself. Hopefully, many of you have already met me and we have begun to build a relationship.

I come to the Terrace of Newark with over 20 years of social work experience where I have dedicated myself to enhancing the lives of older adults. You will find me best by listening for my hardy laughter or the quick patter of my steps.

Basically you will find me in your neighborhood visiting and learning about each of you.

I hope you will quickly become comfortable with me and trust that I am here for you when you need me. Thank you for having me here in your home.
