THE TERRACE at NEWARK

April's Gift of Words
Poet: Catherine Pulsifer

April brings the buds of spring,
A time when nature starts to sing.
Yet one more gift this month holds dear,
A poet born to bring us cheer.

Shakespeare's words still touch today,
With wisdom, love, and grand ballet.
His tales of fate, of joy and strife,
Still breathe within the pulse of life.

So as April days pass by,
Beneath the bright and warming sky,
We honor him, his words so true,
A timeless gift in verse anew.

Recipe of the month:

Easter Egg Rice Krispie Treats

Ingredients:

- **Kellogg's Rice Krispies Cereal, 15 cups**
- **Butter (We use salted, sweet cream Butter), 15 tablespoons**
- **Mini Marshmallows, 15 cups**
- **Wilton Color Right Food Coloring, add**

Directions:

1. Melt 3 tbsp. butter in a medium pan

2. Add 3 cups of Mini Marshmallows and stir until the marshmallows are completely melted

3. Take the pan off the heat

4. Add the food coloring BEFORE you add the Rice Krispie Coloring

5. Add the Rice Krispie Cereal and stir until the cereal is covered with the marshmallow mixture. Allow the yellow Rice Krispie Treat mixture to cool enough so you can handle it but that it is still malleable

6. To get Rice Krispie Easter Eggs that were the same sized I measured .5 oz. of the mixture on my food scale

7-8. Use your hands to mold the Rice Krispie mixture into an easter egg shape. If the mixture is too sticky, rub your fingers with some butter

Follow the same process for each color of Rice Krispie Treat. We were able to make 6 Eggs from a 3-cup batch of Rice Krispie Treat mixture.

To get purple we used 3 drops of pink and 2 drops of blue

To get this bright and Spring green color we

used 4 drops of Yellow and 1 drop of Blue

Blue is a hard color, but pastel blue or light teal is also pretty. We added 4 drops of blue

Wishing you all a very Happy Easter!

Spring is in the air!!!
